IBM NAALAIYA THIRAN

Problem Statement

Title   : Smart Solutions for Railways

Domain Name   : Internet of Things

Team Leader   : Narendra Kumar.L.A

Team Members   : Mohammed Yaser Arafath.S

                           Mohanasundaram.S

                           Praveen.V

Mentor Name   : Mr. Sathyanarayanan.M

                           Assistant Professor,Department of IT

                           V.S.B Engineering College, Karur.

Problem Statement:

Usage of paper has increased at a very high rate in the Railway Ticket Booking system, on an average over 1 million tickets were sold across India. How can we reduce the usage of paper with the technology around us and reduce the waiting time in the queue for buying such tickets?
